## BACKGROUND

Vaporworld is under attack by a group of evil beings who like to see the world burn. Vaporman is a highly skilled soldier, vaporwave listener, and gamer, who lives in a society. He swore to protect Vaporworld by any means. While he combats all the annoying creatures menacing his home, there is a greater evil threatening his wish for peace.

## CHARACTERS

**Vaporman:** The main character of this game, whose goal is to defeat his enemies using his rainbow gun and save Vaporworld.

**Ovni:** Flying enemies that shoot lasers in Vaporman's direction.

**Breik:** Moving enemies with poisonous venom that hurt Vaporman by touching him.

**Creepy:** Ugly black balls that chase Vaporman and hurt him by punching him.

**Lucy:** The mini-boss, who's known for being a satanist and throws fire balls at Vaporman. Legend says he gets possessed when he feels threaten.

**Mascapo:** The ultimate boss, whose powers include flying, multi-laser shooting, teleportation, forty lives and black magic powers, a.k.a. a shield.
